A Warm Welcome

Hope springs eternal for an early end to winter and the beginning of spring. Mind you I'm not complaining, it hasn't been too bad up here in the great Northeast but it's always nice when you get to the end of February and March is just around the corner.

It's also exciting for Dream Maker Racing because most of our horses will be coming back from their winter hiatus and getting ready for an exciting 2024 campaign. Knock on wood, everybody's doing super and we can't wait for spring racing at the BIG A and then summer at the Spa! Let's get ready for some exciting times just around the corner! I am more than ready, aren't you?

DMR Owners on the Road

The McClain family, in partnership with DMR, recently enjoyed exclusive access to the Oaklawn Racecourse during their travels in Arkansas. Oaklawn is a historic and iconic destination for horse racing and home to prestigious events like the Arkansas Derby, a key race on the road to the Kentucky Derby.

As DMR owners, they had the opportunity to experience the excitement and thrill of horse racing on the road, adding a special touch to their journey. It's moments like these that make travel experiences truly unforgettable, and we're delighted to offer unique opportunities like this for all of our owners.

Rambeau

3 YO COLT
BY CATALINA CRUISER
OUT OF AWESOME BULL

Rambo feels right at home at beautiful Belmont Park. He's on the muscle has grabbed a bit and is dragging his rider around the oval every morning. He's a big, strong, good looking horse and everybody has noticed. We think he will be a force to be reckoned with just like his name sake.

Wo Hop

3 YO COLT
BY LAOBAN
OUT OF NILE PRINCESS

Wo Hop its about 3 pounds lighter and has a nice skip to his step. He will jog, then gallop for another four weeks and then be ready to breeze. He's coming along fine after his brain surgery (don't look at me that's what your wife calls it) and everything is moving along just fine. He has settled down nicely and we are excited to see his debut.

V Lo

3 YEAR OLD COLT
BY LAOBAN
OUT OF ESKEN LADY

V Lo is right alongside of Rambo every step of the way. Like bookends they bow their heads and tug at their bits. Watching these two go you know what it means when they talk about horsepower. Judging by the look in their eyes I think both horses are excited to be back in training and getting ready for the races. We are definitely getting excited.

Nolita

4 YO FILLY
BY LAOBAN
O/O NICOLE'S MISS EL

Nolita I just met a girl named Nolita and she's breaking my heart. This filly just keeps on growing. By the time she gets back to the races she'll be 17 hands. The time off has done her good and her return to race training is imminent but we've got to hold our horses and give her the time she needs to catch up to herself. We know she has the talent, she just needs more time than other horses, mostly because of her size and stature and the fact that she's built like Mrs. Arnold Schwarzenegger.

I'mhavingamoment

4 YO FILLY
BY UNCLE MO
O/O AVERYMERRYMOMENT

I'mhavingamoment is having her moment with some fun in the sun. She has let down nicely from her racing body and is taking it easy, enjoying life and just being a horse. We haven't told her yet but she's got about another 40 days and then the saddle will go back on and she'll get back to work and ready for her 2024 campaign. There's nothing like some time off and Dr. Green to refresh a horse and get them ready and in peak conditioning for the racing wars ahead.

Get Stormy x Bodega Kat

2 YO FILLY

Our Get Stormy filly continues to come along just fine down at Ingleside Training Center. She has been a bit behind the two colts we have since she arrived to the scene later from the October sale. However more recently she has really started to catch up to them and is training great. She is galloping daily and still needs a name.

Honest Mischief x Another World 2 YO COLT

There is a lot of Buzz about this gray colt down in Virginia. Everybody that stops by the farm seems to pick him out of the crowd. Woodberry says he's coming along just right to run as a two-year-old late in the fall. That means we could be right on target for the NYSSS big money races with this big beautiful horse. He is also featured in our naming contest.

Medaglia D'Oro x Averymerrymoment 2 YO COLT

Got a name for this colt? Let us know in the naming contest linked under the "Check This Out Section" of our newsletter. Our Medaglia D'Oro colt is galloping daily at Ingleside Training Center and is coming on great. A big strong colt we are taking our time with him and could not be more excited about him.

Kid Billy

4 YO COLT
BY FLATTER
O/O SHERIFFA

Kid Billy had a heck of an infection and we're lucky that it was caught right away. The healing process is progressing as expected with no hiccups so far. That is very positive news with what he's been through. As you know he is at GMP farm getting hyperbaric treatments on a daily basis to speed up the healing process. Once the healing process is complete we will move to the next step which is light training. He's not only a tough horse but a very smart horse and a good patient and that makes a big difference. Bill has had other horses go through this and they've come back 100% so that's what we are looking forward to

Quicksilver Girl

3 YO FILLY
BY GOLDENCENTS
O/O SATISFY

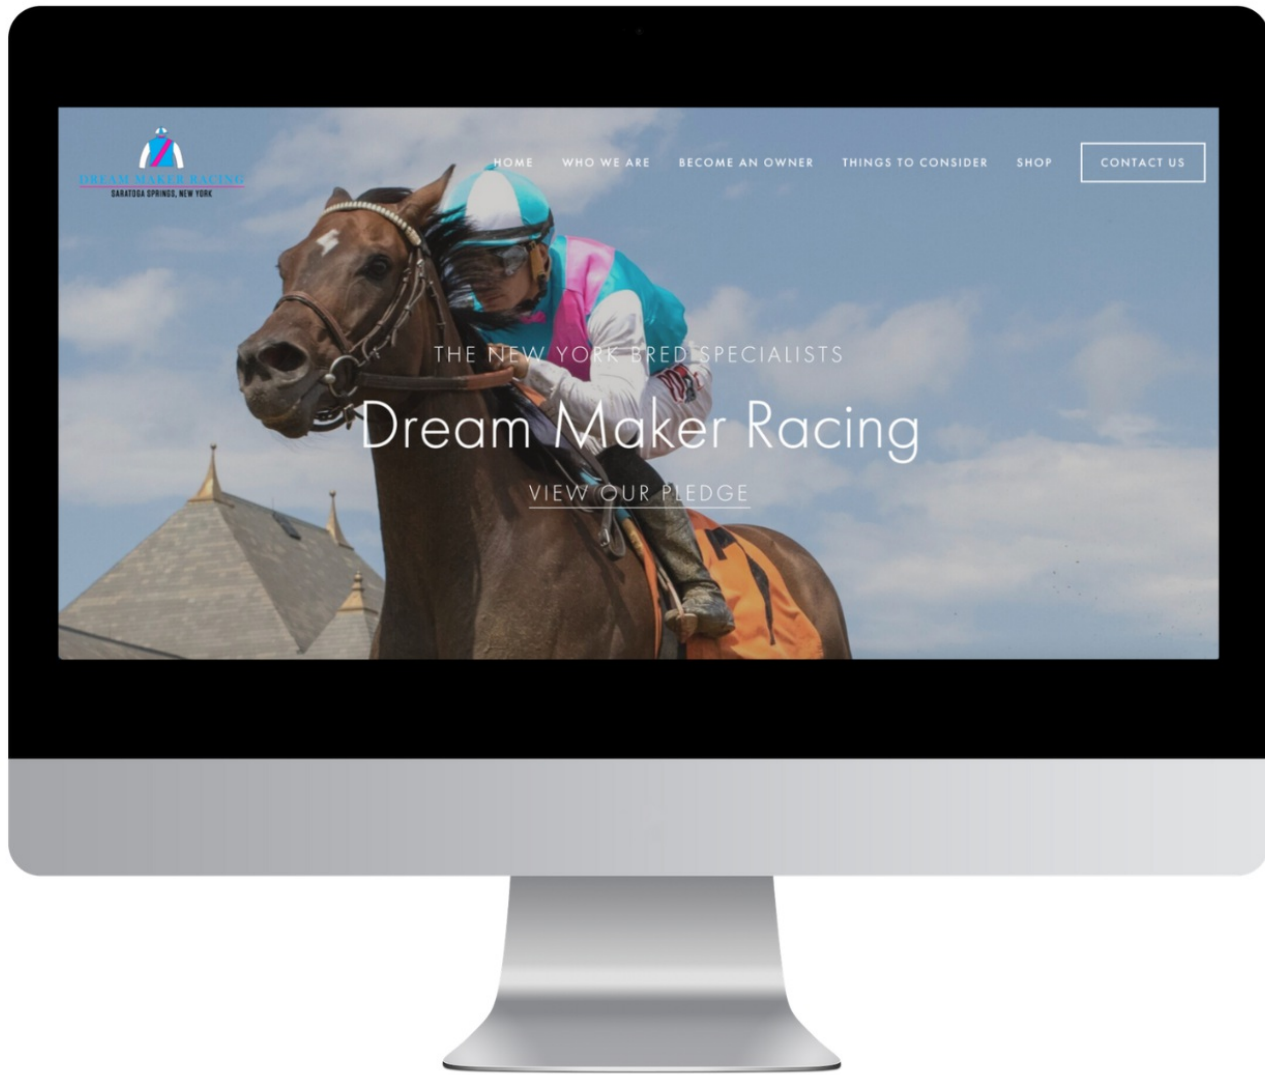

Quicksilver Girl got the OK to be turned out in a small paddock. She's 100% sound and will spend 30 days in a small paddock, then 30 days at GMP farm getting geared up waiting for Saratoga to open and ship right over into Bill Mott's barn as soon as he arrives in Saratoga around the middle of April. We're very happy with the way she's coming along and she's just a pleasure to be around. She is a very happy positive horse just like her mother who could really run!
